I knew it was a long shot for me, and I haven't heard from them. Anyone else get in? I thought they were going to announce May 5th...

Here is a video of the race from Ron's car.

I recommend watching the section from 4:00 to around 5:00! Good example of close driving.

Jason, awesome job taking a glared out video and making it watchable. Thanks a ton.

I am a little disappointed though that with your editing that I still finished fourth not first!

Your welcome. Glad I could help. Still getting to grips with the new tool I have but it is a start.

With footage from other cars I can do multi-cam shots.
