So who's in for the first event in March? I should be but if we don't have a decent turnout I'll just do hpde and take friends for rides.

Heck you have had since November to finish the car.

Soon I will start on mine.....

Cant make the March race. Too much skiing to do before summer.

That's my problem, I have been on cruises and just now got back from Breckenridge!

Gotta love Breck!

In Bozeman now visiting a daughter and going to ski Big Sky and Bridger Bowl.

They are behind on snow and warmer than normal temps just like the rest of the West.

Looks like Ken Huey will be driving in March! (Team 2KenRacing will make all events.)

I wanted to take this opportunity to remind everyone that you need to join PRC before the event and it looks like it will be a 2-step process so don't delay. I put in my application for membership today. It did not allow me to pay.

NOTE: PRC will be doing an event with HOD at Thunderhill in June. I doubt that 944Spec will want to join them. (I don't know if we are even invited!)

See you at Sears Point in 2 weeks.
