

Bullet cameras - Jerry Whitteridge

Posted by norman#99 - 14 Oct 2010 10:35

Jerry, I have misplaced your son's card, I am interested in a camera and am thinking about the bullet cam, if you could forward his info to me I would appreciate it.

This e-mail address is being protected from spambots. You need JavaScript enabled to view it

What do you guys with camera experience recommend? Bullet or other? I like the idea of the bullet on your helmet to record what you are looking at.

Thanks
