

so cal 944 crew

Posted by jm1645 - 15 Jan 2014 21:47

hello all , I have been looking to join the fun and would like to find out about the participation in the 944 spec class in so cal. how often are you getting together, how many drivers etc. been to scca and nasa and it seems like not much in the so cal area. am I wrong?

Yep, had a great experience meeting Tim and Everett. Jim offered great advice. Very friendly, and knowledgeable. I look forward to running with you guys!
