

Willow Springs

If you are going to Willow next weekend, you may want to check on the Holiday Inn Express in Lancaster (661-951-8848. Ask for the Willow Springs racetrack rate which is \$99 and includes a free hot breakfast. I have stayed there before and it is a nice place.

I plan on parking in the upper parking area. It is not as loud as the lower parking and gets a better breeze. Turn left between the garages after you come in the gate.

Who is coming?

I will be there, pitting for a friend of mine in TT. I will stop by and say hello to everybody, and introduce myself to those I haven't met yet! Pointers and education, are what I hope to gleen!

I know we have Jim Hicks, Thomas, and Capt Squid aka Jim Richmond.

Who else will throw down at the fastest track in the west to show your stones?
