

Autoclub Speedway, May 16 & 17

Gang:

Don't forget to sign up for racing in Fontana. We usually have a good turnout for Autoclub Speedway. I'm hoping we can do that again this time.

I am working in San Francisco this weekend with defensive driving school for teens. I really wish I could be there with you guys! Just saw rain for today and sunny and low 70's for Sat/Sun. Perfect weather. Watch out for T3:) Somebody go for the track record, perfect scenario for it.

For those staying in the RV paddock, is there a plan for us to park in the same area? I plan to arrive around 5-6pm.

I probably won't get up there until early Saturday, but it would be great if those who arrive this afternoon could set aside some extra space for those of us who are showing up later. It's great when the 944 Spec class is paddocked next to each other. And with the layout there, it even works to have spaces set aside across from each other. The last count I saw we had at least eight racers this weekend.

Thanks in advance,

Everett

I hope to arrive around 3 pm. I will try to save some spots near the fence opening across from Garage 2.

I'll be there Saturday night or Sunday morning, carless, but there, supporting my friend in TT. I'll come by the 944 pits, and say hello!
