Hey Charlie, i have a car for you! 1984 non sunroof with a low mileage 88 motor. I have had my two 944 spec cars in storage for a while and now my black #23 is up for sale. It might need a couple of updates to pass tech tho. I am refreshing and changing fluids right now. I live near Thunderhill now and I am planning on shaking the car down on the Thursday test day before West Coast Nationals.

Hey Rick, great to hear from you. I think I have a car from 7s Only that I will rent for WSC. Still working out details.

Thank you for the opportunity!

My rental from 7s Only was confirmed today. I am looking forward to racing in Spec again with all of you.

See you Thursday Rich. It will be good to see you again.

Sitting here at Thill waiting for dawn so I can start testing my rental car from 7's Only.

Weather should be sorta mild (not too hot). Paddock is starting to fill up.

Must sleep now.

Congrats to all competitors for a great race weekend at Thill for WSC.

Congratulations to JP Molnar for the win, Marcelo Vine for 2nd and I believe a new track record. I managed a 3rd place finish in a last minute rental that Rick Lofgren was able to provide on Saturday.

We also had a brush fire in the infield that delayed the main races on Sunday for a couple of hours.

A good time was had by all.
