Killer Car For Sale

The #24 Alcohol Killer 944 is For Sale

This car has numerous victories in NASA GTS1 and 944Cup races

www.nasamidwest.com/pressroom/pressarticle.asp?id=8253

It has been converted to 944Spec

Ran as a ITS car for 2 races in 2010 MCSCC

and then as a EP for 2011 while still set up for SPEC944

I just did not have the time to run it in NASA

The lap record at Road America for Spec944 is 2:50

I am a novice driver and turned a best lap of 2:53 this year

so you can see with the right driver this car should be

very competitive in Spec944
