

924S - 944-spec car for sale

Posted by 944sracer - 11 Apr 2009 12:28

I have been asked by a friend to help sell his car and trailer. Here are the details:

Car: 1987 924S

Mileage: 97,000

Color: White

Body condition: Great shape has minor door dings and the pass front fender is a little buggered from rolling the fender.

Race Parts/Modifications:

Stripped interior

Full Koni Suspension

300 lbs. Spring rate up front

30 MM torsion bars that have been indexed

M030 Sway bar up front

Stock sway bar in rear

New front wheel bearings

New rotors

New race pads

Adjustable camber plates

Strut Tower brace

Momo steering Wheel

Removable steering wheel

Rolled fenders

2 sets of Phone dials with brand new Toyo RA-1 tires

2 Corbaeu race seats

2 sets of Corbaeu 5 - point harnesses

Regular Maintanence:

New timing belt

New cap and rotor (distributor)

New plug wires

New engine bay fuel lines

All new oils and fluids

The car is very close to completion some items that the lucky new owner will need to complete are:

Finish pulling misc and unneeded parts to lose weight

- Sun roof motor
- HVAC
- Windows and motors
- Windshield wipers

Will need a cage

The car is in awesome shape and will make a perfect track car.

To sweeten the deal the owner will also throw in a well built steel trailer

for the car. This trailer has:

Electric brakes

7,000 lbs Cap

Twin axles

Storage compartments for ramps

D-rings for tie downs

He is asking for \$12,000

I have a lot of pictures so please ask for them and I will email them to you. The car is in SLC, Utah.

Any questions or to set up a time to see the car and trailer please call me:
