

1988 944 high compression engine

Posted by cagethis - 15 Dec 2012 10:55

Looking to sell my 944 1988 high compression engine

has factory tubular header

comes with the ecu(dme)

afm

and wiring

i was building a spec 944 but i just changed direction

\$1200 or best offer

Sorry east coast just outside boston

Im not sure if i can post contact info

Right now motor is still in the car its coming out over christmas

Im putting an s2 motor in (tarmac rally and hill climb)

The bell housing clutch flywheel all come with motor as well

Thanks

Bill

Id be more then willing to crate but shipping would be all on you or who ever buys it

Ill even deliver it to local shipping place to reduce shipping cost

Pm me so. We can chat
