

WTB late offset Front and rear control arms

Posted by cbuzzetti - 17 Jul 2013 07:57

Hey all, I am looking for a complete set of late offset (87) control arms for the front and rear.

I would like to have theses for spares at Nationals.

If anyone has a set in Ca or is comming to the Auto Club race in So-Cal. please bring them.

I cant be at the race but maybe one of the guys can bring them to Miller.

Thanks,

=====
