Sparco size 60 3 layer suit, good condition Posted by cbuzzetti - 13 May 2015 22:00
Size 60 will fit a 5'9" - 5'11" med build driver.
Suit is about 5 years old but was not worn that often. No rips, tears or stains. I would rate this as good condition.
Suit is much briter yellow than pictures show.
Looking to get \$200 will include shipping.
Not sure why pics are rotated, doesnt show that in my tablet.
