VACA FloridaI can bring late phones Posted by jh36 - 13 Jun 2016 05:38
Several sets of late offset phones. I'm heading to Daytona to see my son in July. If you are anywhere between Maryland and Daytona on 95, I can meet you. Love to find a home for these. Also have a late AFMmaybe some other bits if I dig harder!

Price? I am interested in a set of late offset phonedials. Located in Fort Lauderdale and could pick them up in Daytona whenever they get there.

(Grassroots Motorsports Mag) so if it's easier for you to get them from there, we can work that out too. Come to the beach house and I'll throw in a cold beverage.
