

Manual window regulators w/all hardware

Posted by boostfeen - 28 Dec 2009 22:40

Manual 924/944/968 window winding regulators, tracks, guides, cranks and hardware. Bolts right into any year 924/944/968 doors just have to use these bottom glass guides and tracks supplied then bolt this regulator in. I have matching door panel set too but they are two tone brown, I only have pass. side in black! \$150 complete set + shipping
