

Where to get my car inspected- cincinnati?

Posted by xsboost90 - 01 Nov 2011 16:45

putting my spec car together currently and i was hoping to find a NASA shop near cincinnati to inspect the car before i hit the track- and stay out of line at the race. Who can do this for me and how far do i need to travel?

Dan,

Your list of options is here: [Tech shops](#)
