

Team Safety Driving School at AMP Jan 7 and 21

Posted by norman#99 - 05 Jan 2012 08:29

We are looking forward to another great year of teaching kids the art of defensive driving here in Arizona, at Arizona Motorsport Park (AMP) near Phoenix. Let us know if we can help you with our school or if your too far away, we can help direct you to a school near you. The number one goal is to get new drivers trained in a safe and controlled environment so that they can transform from a normal driving condition to an emergency driving condition in no time flat!!!

Thanks again to all that supported us in 2011, check them out on our web site,

Happy New Year everybody!
