The price did not go up as there is still space. I just signed up!

Who else is in? SoCal guys?

Looks like we are in with the SE30 guys. Should we try to grab one end of the allotted space?

When are people aiming to arrive?

If anyone knows the SE30 director, it might help to communicate a split before we get there. When are people heading there? I won't be there until Friday early evening.
