Im planing on coming back to racing. I've been out for some time and need to know if the cars have changed from 3 to 4 years ago? Thanks to jim and all of his YouTube videos I've been watching you guys and I have to say everyone has gotten really fast!!! Any input will help thanks and hopefully see you all next year.

Who is this ? Angel? Either way - welcome back! I'd say the only notable changes over the past 3-4 years is the use of the Toyo RRs and the Hanksville Y-pipe.
