

Larry Miller

For those who don't recognize the name, he was the Miller in Miller motorsports park. He passed away yesterday. Those from Utah know the name well, as he had a hand in a lot of businesses, as well as charities, plus was the owner of the Utah Jazz. Two of my cars were bought at a Miller dealership, as were my parents cars.

He was also a race fan and built a great track for us to play on! I don't know what the future of the track will be but I'm grateful it's there now.

The racing world lost another great person but I hope he's resting in peace now
