FOR IMMEDIATE RELEASE: BALTIMORE (December 21, 2009) GoRacingTV announced its latest show added to the 2010 programming lineup. "The Club Report" news show will be a bi-weekly, web-video news show reporting on news coming from the club racing world. This informative, relevant, and entertaining news program will include interviews with newsmakers, Pro team reports, car and track reviews, race high lights and much more.

"We believe that "The Club Report" news show will serve as the club racing world premier web-video news show for all forms of motorsports. The news show will cover Road racing, Autocross, Karting, Circle track and Drag racing just to name a few", said Mike Collins co-host of the show.

This bi-weekly news show airs on Wednesdays and will premier its first episode in February of 2010. You can see a pilot version of the show at our web site www.GoRacingTV.com.

"We felt it was about time that a news show was produced that pays attention to the club/amateur level racer. These weekend warriors invest a significant amount of time and money into the sport and comprise 90% of the entire racing market, yet they get very little in the way of TV/video coverage. "We plan to fill that void", said Errol Tucker Sr. GoRacingTV.com Producer.
