

2009 Roll Call!

Posted by Sterling Doc - 28 Dec 2008 09:34

I need to start making some plans, so post up here if you're building, running, or have plans for 944 Spec in 2009 in the Midwest. Also post if you're interested in Nationals at Miller. I'm working on some options to get a bunch of us out there. How we do this depends on how many cars, of course. so post up!

1. Eric Kuhns - running a full season & Nationals
2. Ray Freundt - running a full season & Nationals
3. Conan Dombrowski
4. Angel Blasquez
5. BJ Meyer - Partial Season here, partial in Texas, and in for Nationals
6. Nick Miller - May be starting in HPDE with a fully prepped car, racing later in 2009.
7. Jaje (and friends?) - partial season
8. Jeff Eschleman
9. Rob Shiering
