

How many are planning to attend Western States Cha

Posted by Atteberry - 05 Sep 2016 13:50

I recently received an email update on nationals fro NASA and saw the attendee list. Only 6 944's were signed up. Now that we are a little over a month away wanted to see who was planning on attending.

Debby and I are in, but we used the "reserve a spot now" method, so we are not shown as registered in class for now.
