The Southeast's Newest Car Posted by Brian Evans - 03 Jan 2012 18:41
Saturday, January 14th we will start the build on the Southeast's newest car- a red 83.
Build party thread is here:
www.944spec.org/944SPEC/forum/southeast/party-in-cumming-ga
We will start by pulling the engine, replacing the head and rod bearings, gutting the interior and rebuilding the hydraulics.
More to come
