

Cage design checkout

Posted by joeblow - 08 Sep 2012 15:40

I cant seem to get a hold of anybody using the contact us page to ask about this.

I have penciled out a cage design that seems to meet the CCR2012/SPEC944 rules but I dont see any quite like it in pics I have seen either. Can somebody put me in touch with an inspector I can talk too?
