

Budget Build 944 Spec racecar - updated 2/17/09

Posted by Sterling Doc - 13 Nov 2008 11:20

Now that the off season is upon us, several of the Midwest guys have teamed up to build a new 944 racecar. We're not quite sure what we're going to do with it yet - might be a rental, could be FS, or could be a backup. It is definitely something to do in the long, cold winter.

Here's the "bones" of the project:
