944-SPEC - 944SPEC - low cost wheel to wheel racing Generated: 4 September, 2025, 18:57

| I am ordering parts to redo my entire suspension. | |
|--|-----|
| One part that elephant racing makes is the spring plate cover mount that is \$260 for the pair. OE rub mount is \$60 each. | ber |
| Are these critical to the performance of the car and worth upgrading or renewing? | |
| Just have not read too much about this part. | |
