

Great Finish to a Hard Fought 944 Battle!

Posted by Yeti - 16 Apr 2014 20:39

Here's a video of the last two laps from the 944Spec Race at Pikes Peak Raceway in Colorado a couple weeks ago. I had a battle all race with two other cars, and thanx to a couple cmc cars, and one large dip, We had an amazing finish.

Cool video. Your shifter moves around a lot!
