Who's in for the Road Atlanta event?

I've been watching all the build parties at the Chicken Shack and enthusiasm for the class down there, and am coming down to pay you guys a visit. Let's talk about building the class, going fast, and having fun! Besides, I've got a track record to defend! I will be bringing my Traqmate down, and will be happy to share data as well.

Let's start a roll call here:

1. Eric
2. Michael
3. Brian
4. Jason
5. Duffy - making his race debut!
6. Victor
