

944 Shop in Austin

Posted by Karl @ ART - 14 Jul 2008 05:51

We have finally torn into the 944. Cage is near completion, motor is out and tear down has begun.

Anyone interested in 944 Spec racing is free to come by the shop any time. We hope to have the car at the NASA race at TWS the first weekend in August to sort it out.

Hey Karl,

Congrats!

We started with just three NorCal 944-SPEC cars a little less than two years ago.

We'll have over ten licensed racers by the end of the year and have many more 944-SPEC cars/drivers in various stages of development to join us in the coming years.

Build the class and they will come.

Good luck to you and your region!
