

Suggestions/thoughts for the event?

Posted by Sterling Doc - 31 May 2015 17:42

First, does any know VIR, and the paddock here?

I've never been there, so will need some input on this, or I can just do my best with the National office.

Pizza party, night out?

Any brainstorming welcome!

Thursday is also a great day for the pizza night. You should call and see what is available. It is the only thing close. Every other place would be in Danville which is a 20 to 25 minute drive each way, but there are plenty of places.

I am sure we will all be there Thursday afternoon. A Thursday gathering like we did last year would be great. The pizza place I mentioned will book fast if we wait. Hope all is well.

I've made a reservation for Thursday night. I have counted you if you have registered, but don't know who is bringing crew. The reservation is for 20 at 6:30pm but we can adjust it when we get the full schedule.

Thanks for the tip! Looks like a great place.
