

2012 944 Spec Nationals

Written by Eric Kuhns

Thursday, 04 October 2012 17:42

Clean, competitive, racing and great sportsmanship characterized the 2012 National Championship race week. We'll get some race videos up soon, that will show there was a whole lot more racing that went on than was covered this year! Each of the three races this week had a different winner, with Tyler Palmer taking the one that mattered, making him the 2012 National Champion!
